

# FILL THE GAP IN COMMUNICATION & TEAM WORK

## POSITIVE ENERGY, PRACTICAL INFORMATION, POWERFUL RESULTS

*“Judy Kay can bring to any dental practice fresh, dynamic perspectives that are communicated in an enthusiastic and realistic manner.”*

—Mark Malterud, DDS, MAGD

**Build a cohesive team that supports each other and the practice? Become a better leader? Deliver service with more passion and fun?**

*Raise job satisfaction, patient service and the bottom line!*

**Judy Kay Mausolf is an expert in helping others get happier and more successful!** Her coaching focuses on developing leadership, broadening mindsets, elevating attitudes, strengthening communication and developing skills to build happy, healthy, high performing doctor/team/patient relationships.

### Training for Your Practice:

- Re-engage, re-energize and unite the team
- Deliver W.O.W service
- Build a culture of appreciation and celebration
- Raise the level of accountability
- Align focus on patients and practice
- Resolve conflict, gossip, and reduce stress
- Clear and effective decision and leadership strategies
- Communicate and work together positively and effectively
- Evaluate and streamline business systems and office flow to become more efficient, effective and patient oriented
