

R.I.S.E. TO SUCCESS — SYSTEMS & STRATEGIES THAT BUILD HIGH PERFORMING TEAMS

Building a high performing team results in business success. Success is measured by a healthy bottom line, united leadership and a cohesive team. It also must include an environment you enjoy working in - with a feeling of a job well done at the end of the day!

Judy Kay shares her **R.I.S.E. Philosophy**. It's a concept for best practices to help the entire team think differently, act differently, communicate effectively, work together better, and make healthy decisions which results in ultimately growing their business.

COURSE OBJECTIVES:

- Learn how to build a united leadership team
- Understanding the individual's role in establishing trust, accountability and respect
- Learn methods for making successful decisions
- Learn R.I.S.E. Implementation Process steps
- Outline how to develop team and performance standards
- Discover beliefs and behaviors that nurture a patient-focused practice
- Acquire tools for creating accountability
- Uncover behaviors that inspire a culture of appreciation and celebration
